PAT'S kids Club, Inc. Is a non profit after school program operating on the campus of 9 area elementary schools. Since 1988 we have been presenting innovative programs that promote academic, social and physical growth enabling a child to reach his full potential. Our licensed programs follow the National School-Age Care guidelines, providing free choice activities, organized sports and games, arts and crafts, an academic period, special interest activities and enriched activities. We also foster strong community relationships that emphasize family values, citizenship and goodwill through projects such as food and toy drives, disaster relief as well as our Adopt-a-Beach program.
