

The Naples Alliance for Children, is committed to providing the tools needed to create a work environment that meets the expanding and challenging role of the working parent. Meetings are held on prearranged, announced dates and locations. The NAFC encourages and recognizes employers who have workplace policies and programs that assist employees to take an active part in raising their children. Business and resource professionals are available to provide information and assistance. Call 649-5260 or email info@napleschild.org for information or an appointment.

The following Collier County Businesses were designated and honored in 2007 for providing programs that meet the NAFC established Family Friendly Workplace criteria: (See following pages, call NAFC at 239-649-5260 or email info@napleschild.org for information and current criteria)
