January 2010

NAFC Board of Directors invites you to join other Collier County businesses in becoming a Family Friendly Business in the year 2010. We have enclosed a list of the 2009 Family Friendly Businesses along with this year's set of criteria.

Local businesses that exemplify a family friendly workplace by meeting some or all of the established criteria will receive the *NAFC Family Friendly Business* designation. Plaques will be presented to the designees at the sixteenth annual NAFC Celebration Dinner, April 7, 2010 at the Country Club of Naples. A logo is available for use on letterheads and other printed materials.

Please return the *Family Friendly Workplace Ratings Key with supporting documents* to Naples Alliance for Children at the above address by **February 26**. Note that to receive the designation, your company must offer benefits in the first four categories.

NAFC is committed to providing the tools needed to help create a work environment that meets the expanding and challenging role of the working parent. Business and resource professionals are available to provide information and assistance in making your workplace family friendly. Call 649-5260 for information or an appointment.

Sincerely,

Myra Shapiro, President  
Naples Alliance for Children
